

# Right With God – Foundations of Faith

---

## LEADER'S GUIDE

This guide offers support and prompts for group leaders facilitating the study.

### Part 1: Justified – Declared Clean

- Open with prayer and briefly define 'justification'.
- Ask how many in the group have heard the term before.
- Use a courtroom analogy to explain God's declaration.
- Invite testimonies about how knowing they're justified has changed people's mindset.

### Part 2: Righteous – Made Right

- Introduce the idea that salvation includes a change in identity.
- Use the example of being 'clothed in Christ' to explore what righteousness means.
- Encourage members to reject shame and embrace their new identity.
- Ask: What does it mean to live like someone who is already accepted?

### Part 3: Walking Worthy – Living from Grace

- Focus on practical holiness and the role of the Holy Spirit.
- Ask: What does walking worthy look like in your week ahead?
- Clarify that this isn't about earning love, but responding to it.
- Encourage setting one grace-based goal for the coming week.
